BOOKING PROCESS

LEAD CONTACT

We will share updates about individual bookings made by your school, so you can easily track who has booked

1 - Attendees book their own place via an online booking form, so decide who you will send the booking link to

2 - Look at the afternoon sessions and decide which of the three options you'll do as a school (face to face presentations, virtual, your own training or a combination)

3 - Send the booking link to your attendees to book their place (make sure they know which afternoon session you're planning to do)

ATTENDEES

Need to make a change to your booking? No problem, just email us

1 - Click on the booking link and complete the online form. Make sure you choose the afternoon session that is agreed as a school

Click here to book: BOOKING LINK OR SCAN ME!

2 - Check your emails (it might end up in your junk folder) for an email from 'Inclusion Day'. This is your booking confirmation and contains your barcode ticket for the event. Keep this in a safe place – you can also add the ticket to your phone wallet

EDIT YOUR BOOKING

If you need to edit your booking or you've changed your mind, just email us and we'll make the change for you: jo.wilkinson@inclusionpartnership.co.uk
